It's time to show BTES teachers how much you appreciate all that they do. The BTES PTO is sponsoring Teacher Appreciation week and would love for you to join in! While we are promoting daily themes, please do not feel obligated to stick to them or participate at all. Remember, teachers are changing the world, one child at a time! A small note or token of appreciation goes a long way to show them that what they do is not going unnoticed.

**Coming soon...** On May 11th our own Dr. Culver will be the chef at a PTO sponsored cookout!
