

SUPERWASH™

Attention Students, Parents and Faculty of Belle-Terre Elementary School

Superwash Express has designed a program specifically to help you raise money for your school quickly and easily and at absolutely no cost to you. When you come to the carwash **simply push the fundraiser button on the auto cashier screen and enter in your school's 4-digit code and whatever you purchase, 10% of the total sale will be donated back to the school.** All you need is the 4-digit code for your school to get credit so **pass it on to family and friends.** With a combined effort, this program will be a great success. We look forward to seeing you at the carwash! This program is active all year round.

The code for Belle-Terre Elementary School:

5100

**We're located at
110 Cypress Point Parkway
1/4 Mile West of Walmart**
