

Connecting BTES Families

September 27th at 6pm in the BTES Media Center

PLEASE JOIN US AS WE HAVE A PANEL OF TEENS SHARE WITH YOU THE UPS AND DOWNS OF THEIR DIGITAL LIVES, AND ALSO OFFER SOME VALUABLE HELP FOR PARENTS AND GUARDIANS. OPEN TO ALL FAMILIES OF FLAGLER SCHOOLS STUDENTS!

Meetings will be held on the last Thursday every month and each meeting will have a theme or planned event.

Here are our upcoming events:

September 27th - Teen panel. Flagler students in grades 7-12 discuss all the ups and downs of their digital lives with advice for parents

October 25th - Cyberbullying and Digital Drama

November 29th - Young Children and Digital Footprints, Photo Sharing

January 31st - Managing Screen Time and Selfie Culture

February 28th - Video Games & Violent Content, Technology That Meets Unique Needs

March 28th - Privacy, Surveillance, & Self-Disclosure

April 25th - Distraction, Multitasking, & Time Management; wrap up and group discussion of Connecting Families efficacy

ANY FLAGLER SCHOOLS FAMILIES WELCOME!

You can attend any or all of the events that you would like. You are not committed to all of them. Each event will consist of a discussion about the listed topic, and then we will be discussing what digital citizenship is and what it looks like in and out of the classroom. Whether you want help with your child's use of technology in or out of school, this is the place for you to get that help!

"From cyberbullying and photo sharing to digital footprints and online safety, the Connecting Families program helps families address important topics and have meaningful conversations with their kids about making great choices in their digital lives."

common sense education™

Child care will be provided by 6th grade BTES Ambassadors so that families can focus on the program.
