Young Leaders Helping Others

It's time for the BTES K-Kids Club to begin this year!!!!

What is K-Kids?

K-Kids is a Kiwanis Service Learning Project that provides Weekend Food Bags for Belle Terre Families. Membership is open to any BTES student in grades 3-6 who desires to become a leader in his/her school, community, and wishes to provide service to others.

This year I will be your faculty adviser and Mr. Tony Andrae will be our Kiwanis adviser. If you are interested in becoming a member, please fill out the bottom portion and bring it to our first meeting on Wednesday, September 12th at 3:30 in Mrs. Lockhart's room (665). Permission slips are required for admission. We will meet every other Wednesday from 3:30-4:40. Parent pick-up will be in front of the school.

Thanks so much for your interest and I look forward to a great year!
